

• HOST A MACHINE • KL

Your space. Our *oranges*. Zero effort.

We install, operate and restock a fresh-squeezed orange juice machine in your venue. You earn passive revenue from every cup — no staff, no hassle, no kitchen smell.

LIVE IN

Kuala Lumpur

INSTALL LEAD TIME

Available Upon Request

• THE MACHINE • 1.07 M²

*Cold-pressed, on demand
— made to order, every cup*

FOOTPRINT

1 m²

A 13-amp socket is all you need.

PER FILL

70–80 cups

Restocked by us, every 1–2 days.

REVENUE*

RM 1–2k /mo

60–100 cups/day at RM 8–15.

PARTNER WITH US — TWO WAYS

Revenue *share* up to 10%

of every cup sold

- We earn when you earn. Zero risk.
- No slow months, no lock-in.
- You provide space + socket. We do the rest.

Fixed *rent* Flat fee

predictable monthly income

- Flat monthly placement fee, paid on time.
- Rate based on footfall + placement quality.
- Simple 12-month agreement.

WHY VENUES LOVE IT

1 Zero operational burden

We handle every orange, every cup, every clean. Auto-sterilising every 2 hours.

2 Halal-compatible

100% whole fruit, no additives, no concentrates. Suitable for all customers.

3 Adds to your venue experience

A live-squeezing machine is a draw in itself — customers stop, watch, buy.

THE MACHINE
